

Watchtree Nature Reserve
 Great Orton, Carlisle, CA5 6NL
Location: Compost Toilet

Title : Covid 19 Compost Toilet	Date of Assessment : 02/06/2020	Risk Assessor : Ryan Dobson
Risk Assessment Reference : RA083	People involved in making this assessment : Ryan Dobson	
Task/ Process : Use of Compost Toilet during Covid 19 pandemic	People at Risk : Employees, Members of the Public, Volunteers	

Hazard : Infection Spread of Covid 19 due to public use of shared facilities
Control Measures:
1. Cleaning schedule - the toilet will be cleaned every morning by WNR staff and then checked at least once throughout the day (more often on busier days)
2. Hand sanitizer, sanitizing spray, paper cleaning roll and a bin will be available for visitors to clean the facilities themselves.
3. Signage will be displayed which informs visitors that the toilets are cleaned once daily and that they are responsible for taking their own precautions using the cleaning kit provided.
4. Signage and floor markings will be in place to facilitate socially distant queuing
